

### **WIKTORIA won a distinction in the final of the 17th edition of the Polish Papal Competition!**

We are pleased to announce that WIKTORIA SZYMAŃSKA from class IIF4 won a distinction in the final of the 17th edition of the Polish Papal Competition organized by the Tertio Millennio Institute. This competition is the largest competition in Poland concerning the knowledge about the life and teaching of John Paul II. This competition is the largest competition in Poland concerning the knowledge about the life and teaching of John Paul II. Its main goal is to spread the richness of St. John Paul II and deeper studies of his teaching. Year by year, the competition is becoming more and more popular among young people. This year, it was attended by approx. 5 thousand. high school students. The competition consists of 4 stages. In the final stage, which took place on June 14 this year. participants were faced with the task of verbally defending an essay they had written on papal teaching. Wiktorina qualified for the final stage as one of the six people representing the Silesia Province.

Congratulations and we wish you further successes 😊
